

## Fill in the gaps

## Need your love by The Temper Trap

The road is pulling me into her open web	I need to love, I need your love,
And for a moment I escape and I forget	I need you know, I need you
The (1) behind the dust clouds	I need to love, I need your love,
call me friend	I (8) you know, I need (9) love
But even fools (2) here	I need to love, I need your love,
They're far and few between	I need you know, I need you
She has abandoned me on highways and desert plains	I need to love, I need your love,
Of lonely creatures singing for the summer rain	I need you know
And at the end of all your knees fall down to me	There is no resting in my heart
Yeah it's something in you always (3) for	There is no resting in my heart
someone real	There is no resting now
I need to love, I need your love,	There is no resting in my heart
I need you know, I need you	There is no resting in my heart
I (4) to love, I (5) your love,	There is no resting for the one you love
I need you know, I (6) you	
She is my (7) in the dark	
But at night with lips of honey calls the devil's wh*re	
And I am a war of flesh and heart that's left undone	
Between the person that I was and have become
