

Well I wish that I was comfortable in my own skin

Fill in the gaps

Oh, I could bore you with the truth	But the whole thing feels like an exercise
About an (1) youth	I'm trying to be someone I would rather not be
Or you could get that rap from someone else	I'd try to second guess
And I could make an observation	If you would be approving
If you are the voice of a generation	I find my life ever so moving
But I'm too self-absorbed to give it clout	Keen wide-eyed and unassuming
And I, I don't really care about anybody else	No hope -Ok-
When I haven't got my own life figured out	There is no hope
Because when you're young and bored and 24	When there's desperately
And don't know who you are, (2)	No hope, when there's definitely
no hope	No hope, if you don't believe me
And it's hard to come of age	Yeah there is no hope
I think it's a problem	When there's desperately
As I never go away	No hope, when there's definitely
And no, I am so self-obsessed I guess	No (7) but if you don't believe me oh
But there's no hope	But I, I don't really care about anybody else
But I hope it's just a phase	When I haven't got my own life figured out
Or I'll grow	Because when you're 24 and young and bored
Oh, I could look for inspiration	And don't know who you are nobody's no hope
Find it in the track on an English station	And it's hard to come of age
But weren't that be (3) and ill-informed?	I think it's a problem
And I could bet you don't believe me	As I never go away
If I share a cape from deep within me	And no, I am so self-obsessed I guess
But I promise you I'm telling you the truth	But there's no hope
And I, I don't really care about anybody else	But I hope it's just a phase
When I haven't got my own life figured out	Or (8) grow
Because when you're 24 and (4) and bored	There is no hope
And don't know who you are nobody's no hope	I know it's a problem
And (5) hard to (6) of age	It never goes my way
think it's a problem	I know I am so self-obsessed I guess
As I never go away	But there's no hope
And no, I am so self-obsessed I guess	But I hope (9) just a phase
But there's no hope	Or I'll grow
But I hope it's just a phase	
Or I'll arow
