Or let me take the wrong way down?

## Fill in the gaps

The high road by Three Days Grace

I (1) you I was hurt	Will you straighten me out
Bleeding on the inside	Or make me take the long way around?
I told you I was lost	I took the low road in
In the middle of my life	I'll take the high road out
There's times I stayed alive for you	I'll do whatever it takes
There's times I would have died for you	To be the mistake you can't live without
There's times it didn't matter at all	Not now I'm not gonna give it away
Will you help me (2) the right way up	Not gonna let it go just to wake up someday
Or let me (3) the (4) way down?	Gone, gone
(5) you straighten me out	The worst part is looking back knowing that
Or make me take the long way around?	I was wrong
I took the low road in	(9) me find the right way up
I'll take the high road out	Or let me take the wrong way down
I'll do whatever it takes	Will you straighten me out
To be the mistake you can't live without	Or make me take the long way around?
Standing in the dark	I took the low road in
I can see your shadow	I'll take the high road out
You're the only light	I'll do whatever it (10)
That's breaking through the window	To be the mistake you can't live without
There's times I (6) alive for you	I'll do whatever it takes
There's times I would (7) died for you	To be the mistake you can't live without
There's (8) it didn`t matter at all	
Will you help me find the right way up
