When dawn shines through the (1) on my	So kind for those who smile
bed	Always dream, dream, dream
When driving down the hillside, air so fresh	That today may be
When walking through the park	When I meet the sweetest man
When watching birds fly by	That's (6) for me
He could be that one singing	Always dream, dream
Only you	That today may be
He could be that one reading	When I meet the sweetest man
(2) I do	That's meant for me
He could be (3) too	Always dream, dream
He (4) maybe be you	(7) today may be
Always dream, dream	When I meet the sweetest man
That today may be	That's meant for me
When I meet the sweetest man	Always dream, dream, dream
That's meant for me	(8) today may be
Always dream, dream	When I meet the sweetest man
That today may be	That's meant for me
When I meet the sweetest man	(9) dawn (10) through the window
That's meant for me	on my bed
My (5) beam good vibrations as they smile	
My face light up with gladness at your sight	
It's true that life can be
