

Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I think of when we were together
Like when you said
you felt so happy you could die
I told myself that you were right for me
But felt so lonely in your company
But (1)_____ was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end
Always the end
So when we found that we could not make sense
Well you said that we would (2)_____ be friends
But I'll admit that I was (3)_____ that it was over
But you didn't have to cut me off
(4)_____ out (5)_____ it never happened
And that we were nothing
And I don't even need (6)_____ love
But you treat me like a stranger
And that feels so rough
No you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now and then I think of all the times you screwed me over
But had me believing
it was always something that I'd done

But I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody
that you used to know
But you didn't have to cut me off
Make out like it never happened
And that we (7)_____ nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
No you didn't have to stoop so low
Have (8)_____ friends collect (9)_____ records
And then change your number
I guess that I don't need that though
Now you're just (10)_____ that I used to know
Somebody
I used to know
Now you're just somebody that I used to know
Somebody
I used to know
Now you're just somebody that I used to know
I used to know
That I used to know
I used to know
Somebody
