

it was always something that I'd done

## Fill in the gaps

## Somebody I used to know by Walk off the Earth

Now and (1) I (2) of when we	But I don't wanna live (16) way
(3) together	Reading into every word you say
Like when you (4)	You said that you could let it go
you felt so happy you could die	And I wouldn't catch you hung up on somebody
I told myself that you (5) right for me	that you (17) to know
But felt so lonely in your company	But you didn't have to cut me off
But (6) was love and it's an ache I still remember	(18) out like it never happened
You can get addicted to a certain kind of sadness	And that we were nothing
Like resignation to the end	And I don't (19) need your love
Always the end	But you treat me like a stranger
So when we found that we could not make sense	And (20) feels so rough
Well you said (7) we would still be friends	No you didn't have to (21) so low
But I'll admit (8) I was glad that it was over	Have your (22) collect your records
But you didn't have to cut me off	And then change your number
Make out (9) it never happened	I (23) (24) I don't need that though
And that we (10) nothing	Now you're just somebody (25) I (26)
And I don't even need your love	to know
But you treat me like a stranger	Somebody
And that (11) so rough	I (27) to know
No you didn't have to stoop so low	Now you're just somebody that I used to know
Have your friends collect (12) records	Somebody
And then change your number	I used to know
I guess that I don't need that though	Now you're just (28) that I used to know
Now you're just somebody that I used to know	I used to know
Now you're (13) somebody that I used to know	That I used to know
Now you're just somebody that I (14) to know	I (29) to know
Now and (15) I think of all the times you screwed	Somebody
me over	
But had me believing
