## Somebody I used to know by Walk off the Earth

Now and (1) I think of when we were together	But I don't wanna live that way
Like when you said	Reading (8) every word you say
you felt so happy you could die	You said that you could let it go
I told myself that you were right for me	And I wouldn't catch you hung up on somebody
But felt so lonely in your company	that you used to know
But that was love and it's an ache I still remember	But you didn't have to cut me off
You can get addicted to a certain kind of sadness	Make out like it never happened
Like resignation to the end	And that we were nothing
Always the end	And I don't even need your love
So when we (2) that we could not make sense	But you treat me like a stranger
Well you said that we would still be friends	And that feels so rough
But I'll (3) that I was glad (4) it was	No you didn't have to stoop so low
over	(9) your friends collect your records
But you didn't have to cut me off	And then change your number
Make out (5) it never happened	I guess that I don't need that though
And that we were nothing	Now you're just somebody that I used to know
And I don't even need your love	Somebody
But you treat me like a stranger	I used to know
And (6) feels so rough	Now you're just somebody that I used to know
No you didn't have to stoop so low	Somebody
Have your friends collect your records	I used to know
And then change your number	Now you're just somebody that I used to know
I guess that I don't need that though	I used to know
Now you're just somebody that I used to know	That I used to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	Somebody
Now and (7) I think of all the times you screwed	
me over	
But had me believing
