## Fill in the gaps

Bottoms up (1) I drink to you and I	At least you know that
Because with the morning comes the (2) of my life	I still care enough to write
	Bottoms up tonight I drink to you and I
And with this empty (3) I will break the past	Because (18) the morning comes the rest of my
Because with the morning I can open my eyes	life
I want this to be my awakening	And with this empty glass I will break the past
I give this one to you an (4) full of truth	Because with the (19) I can open my
I tell you now an epic tale	(20)
Of what you've put me through	And maybe I will see a different destiny
And even though you don't deserve one of your own	Like knowing you at all was (21) a bad dream
A melody, a song about the life that you let go	I want this to be my awakening
I can't (5) that	No rest for the wicked they say
I still (6) enough to write	Forgive me if I try to change
Bottoms up tonight I (7) to you and I	No rest for the wicked they say
(8) with the morning comes the	(22) me if I try to change
(9) of my life	Bottoms up tonight I drink to you and I
And with this (10) glass I (11) break	Because with the morning (23) the
the (12)	(24) of my life
(13) with the morning I can open my eyes	And with this empty glass I will break the (25)
I (14) this to be my awakening	Because with the morning I can open my (26)
Yes I miss you still	And maybe I will see a different destiny
And probably (15) will	Like knowing you at all was only a bad dream
I'm living with a busted (16) that I	I want this to be my awakening
(17) have until	
I find the strength	
I know it's somewhere in my bones
