

Fill in the gaps

I cannot hold this anymore	I (15) you up and then I (16) you down
My hands are (1)	
(2) waiting to let go	-Ryan, we've been through this a bunch of times, remember?
And I am waiting, still	I got a (17) order against you,
I used to know which way to turn	and the judge said
You were a (3) inside a tunnel in my head	you're not allowed to sing to me within 500 feet
I try to follow, still	-I know, it's just that
-l can't hear you, man!	-I don't (18) to hear your excuses, no more
I try to follow, still	singing, ok?
-This guy (4) to me won't (5)	I swear to God, if you open your mouth and start
singing!	(19)
It's hard to see you, we are older now	a pre-chorus That's it!
And when I (6) you, you (7) turn	I get lost sometimes
around	Another year flies by
This is a black-and-white of you I've found	But I (20) if I try
I hang you up and (8) I pull you down	Memories of the light in your eyes
I (9) you up and then I pull you down	Can take me back in time
-Yeah, can I get a (10) cheeseburger	It's (21) to see you, we are older now
and a large?	And when I (22) you, you just turn around
No more (11) from me	This is a black-and-white of you I found
-Hello?	I hang you up and then I pull you down
My arms are tired of picking up what I put down	It's hard to see you, we are older now
You're all I think of, still	And (23) I find you, you just turn around
I'm gonna miss you everyday	This is a black-and-white of you I found
I turn my back on anyone who won't believe	I (24) you up and then I (25) you down
And it gets lonely, still	I hang you up and (26) I pull you down
-Oh my God!	I hang you up and then I pull you down
-What?	I don't hear music anymore
It gets lonely, still	My ears are tired of all the pictures in the words
-lt's my ex-boyfriend, where do you go, Ryan?	Because you are in them, still
It's (12) to see you, we are older now	-You can sing me a pre-chorus anytime, call me
And when I find you, you (13) turn around	
This is a black-and-white of you I've found	
I hang you up and then I (14) you down
