I want to be rich and I want lots of money	I'll look at the sun and I'll look in the mirror
I don't care (1) clever I (2)	I'm on the right track yeah we're on to a winner
care about funny	Chorus
I want loads of clothes and fuckloads of diamonds	I don't know what's right and what's real anymore
I heard people die while they are trying to find them	I don't know how I'm meant to feel anymore
I'll take my clothes off and it will be shameless	When do you think it will all become clear?
'Cuz everyone knows that's how you get famous	'Cuz I'm being taken over by The Fear
I'll look at the sun and I'll look in the mirror	[Bridge]
I'm on the right track yeah I'm on to a winner	Forget about guns and forget ammunition
[Chorus]	Cause I'm (9) them all on my own little
I don't know (3) right and what's real	mission
anymore	Now I'm not a saint but I'm not a sinner
I don't (4) how I'm meant to feel anymore	Now everything's cool as long as I'm getting thinner
When do you think it will all become clear?	[Chorus]
'Cuz I'm being taken over by The Fear	I don't know what's right and what's real anymore
Life's about film stars and less about mothers	I don't know how I'm meant to feel anymore
It's all about fast cars cussing each other	When do you think it will all become clear?
But it doesn't matter cause I'm packing plastic	'Cause I'm being taken over by fear
and that's (5) makes my (6) so fucking	
fantastic	
And I am a (7) of massive consumption	
and its not my fault it's how (8) programmed to	
function
