

## Fill in the gaps

I want to be rich and I want lots of money	I'll look at the sun and I'll look in the mirror
I (1) (2) about clever I don't care	I'm on the right track yeah we're on to a winner
about funny	Chorus
I want (3) of (4) and	I don't know what's right and what's real anymore
(5) of diamonds	I don't know how I'm meant to feel anymore
I heard people die while they are trying to (6) them	When do you think it will all become clear?
I'll take my clothes off and it (7) be shameless	'Cuz I'm being (19) over by The Fear
'Cuz everyone knows that's how you get famous	[Bridge]
I'll look at the sun and I'll look in the mirror	Forget about guns and forget ammunition
I'm on the (8) track yeah I'm on to a winner	Cause I'm (20) (21) all on my
[Chorus]	own (22) mission
I don't know what's right and what's real anymore	Now I'm not a saint but I'm not a sinner
I (9) how I'm meant to feel	Now everything's (23) as long as I'm getting
anymore	thinner
When do you (11) it will all (12)	[Chorus]
clear?	I don't know what's right and what's real anymore
'Cuz I'm being (13) over by The Fear	I don't know how I'm (24) to feel anymore
Life's about (14) (15) and less about	When do you think it will all become clear?
mothers	'Cause I'm being taken over by fear
It's all about fast cars cussing (16) other	
But it (17) matter cause I'm packing	
plastic	
and that's what makes my (18) so fucking fantastic	
And I am a weapon of massive consumption	
and its not my fault it's how I'm programmed to function
