

Fill in the gaps

I want to be rich and I want lots of money	I'll look at the sun and I'll look in the mirror
I don't (1) (2) clever I	I'm on the right track yeah we're on to a winner
(3) care about funny	Chorus
I want loads of clothes and fuckloads of diamonds	I don't know what's right and what's real anymore
I heard people die while they are trying to find them	I don't know how I'm meant to feel anymore
I'll (4) my clothes off and it will be shameless	When do you think it will all become clear?
'Cuz everyone knows that's how you get famous	'Cuz I'm being taken over by The Fear
I'll look at the sun and I'll look in the mirror	[Bridge]
I'm on the right track yeah I'm on to a winner	Forget about guns and forget ammunition
[Chorus]	Cause I'm killing them all on my own (8)
I don't know what's right and what's real anymore	mission
I don't know how I'm meant to feel anymore	Now I'm not a saint but I'm not a sinner
When do you think it will all become clear?	Now everything's cool as long as I'm getting thinner
'Cuz I'm being taken (5) by The Fear	[Chorus]
Life's about film stars and less about mothers	I don't know what's right and what's real anymore
It's all about fast cars cussing each other	I don't (9) how I'm meant to (10)
But it doesn't matter cause I'm packing plastic	anymore
and that's (6) makes my life so fucking fantastic	When do you think it will all become clear?
And I am a weapon of massive consumption	'Cause I'm being taken over by fear
and its not my fault it's how (7) programmed to
