

Fill in the gaps

-One, two happy birthday!	I hear the coast by nightfall
-Take a look out the window man, we have got a surprise for	So sure to keep you dreaming
/ou	You understood
-Happy birthday man!	Oh, I know you understood
After leaving my apartment	Yes sir, it shows I was no good
I (1) (2) cold (3) me	Oh, all right, all right
It howls away all through the market	I hit the sidewalk and (6) is how it starts
It calls your name	Hide in a raincoat
On my way to your apartment	When things are falling apart
All right for fear of silence	Because (7) or later this is (8)
You carved a boat to sail my shadow	to stop
Now I walk alone	Come on, let's savor while we're falling over
Oh, all right, all right	After leaving your apartment
I hit the sidewalk and this is how it starts	I (9) the cold
(4) in a raincoat	
When things are falling apart	
(5) leaving your apartment
