

Fill in the gaps

Stop! The train is riding		Because I want more, because I want more
Down to the (1)	where you lived	My body tells me: no!
When we were school kids		But I won't quit
Hey! The (2) are caught now		Because I want more, (8) I want more
And I am falling down		It rides out of town
Fools in a spiral		Oh, it's my road, it's my road, it's my road (bis)
Round this town of steam		It's my war, it's my war, it's my war (bis)
My (3) tells me: no!		His eyes are open
But I won't quit		His (9) are open
(4) I want more, because I want more		Oh, because I want more, because I want more, more
My body tells me: no!		His eyes are open
But I won't quit		His eyes are open
Because I want more, because I want more		My body tells me: no!
Stop! The (5) is riding		But I won't quit
Down to the station where I lived		Because I want more, because I want more
When I was a cool kid		My body tells me: no!
Hey! Is it my fault that		But I won't quit
The fallen embers (6) down in a spiral		Because I want more, because I want more
(7) your crown of thieves		It rides out of town
My body tells me: no!		
But I won't quit		

1. station
