

## Fill in the gaps

Stop! The train is riding	Because I want more, (5) I (6)
(1) to the station where you lived	more
When we were school kids	My body tells me: no!
Hey! The rails are caught now	But I won't quit
And I am falling down	Because I want more, because I want more
Fools in a spiral	It rides out of town
Round this town of steam	Oh, it's my road, it's my road, it's my road (bis)
My body tells me: no!	It's my war, it's my war, it's my war (bis)
But I won't quit	His eyes are open
Because I want more, because I want more	His eyes are open
My (2) tells me: no!	Oh, because I want more, (7) I
But I won't quit	(8) more, more, more
Because I (3) more, because I want more	His eyes are open
Stop! The train is riding	His eyes are open
Down to the station where I lived	My body tells me: no!
When I was a cool kid	But I won't quit
Hey! Is it my fault that	Because I want more, because I want more
The (4) embers burn down in a spiral	My body tells me: no!
Round your crown of thieves	But I won't quit
My body tells me: no!	Because I want more, (9) I want more
But I won't quit	It rides out of town
