Fill in the gaps

The wind by Zac Brown Band

30,000 feet above the city where
I fell in love with you
And the fading concrete skyline
Brings an urban lullaby that still rings true
When I passed you on the street that day
Should've let that red scarf fly away
Like any chance I had of keeping you
Like the Northern wind a blowing
Yeah my lonely heart was frozen
Never knew I'd find a way
To break yours too
Where the wind blows babe
You can bet I'll be riding high with it
Holding on for my dear life just like I always did
Close your eyes babe, (1)_____ a breath
Say my name and I'll be there
My love will find you anywhere
Anywhere my love
The city lights look like a country sky
(2)_____ staring at the stars turned upside down
I wish I may, I wish I might
Find it in your heart to stick around
I hate it had to end this way
(3)_____ is a brand new day
And the chances here at love are (4)_____ few
Someone's out there waiting
For a (5)_____ good timing lady
To make you smile the way I always wanted to
Where the wind blows babe
You can bet I'll be riding high with it
Holding on for my dear life just like I always did.
Close your eyes babe, (6)_____ a breath
Say my name and I'll be there
My (7)_____ will find you anywhere
Anywhere my love
So I'll fly all night
Our memory's my lullaby
That love won't lie
If it's love done right
You'll be waiting on the other side
Arms open wide If love don't lie
Lie, we can fly
Where the wind blows babe
You can bet I'll be riding high with it
(8)_____ on for my dear life just like I always did
Close your eyes babe, take a breath
Say my name and I'll be there
My love will find you anywhere
Anywhere, my love will find you anywhere
Anywhere, my (9)_____ will find you anywhere
Anywhere my love

Fill in the gaps

Answer
