30,000 feet above the city where	To (15) you smile the way I always
I fell in (1) with you	(16) to
And the (2) concrete skyline	(17) the wind blows babe
Brings an (3) lullaby that still (4)	You can bet I'll be riding high with it
true	(18) on for my (19) life just like
When I passed you on the street (5) day	always did.
Should've let that red scarf fly away	Close your eyes babe, take a breath
Like any chance I had of keeping you	Say my name and I'll be there
Like the Northern (6) a blowing	My love will find you anywhere
Yeah my lonely heart was frozen	(20) my love
(7) knew I'd find a way	So I'll fly all night
To break yours too	Our memory's my lullaby
Where the wind blows babe	That love won't lie
You can bet I'll be riding high with it	If it's love done (21)
Holding on for my (8) life just like I always did	You'll be waiting on the other side
Close your eyes babe, take a (9)	Arms open (22) If love don't lie
Say my name and I'll be there	Lie, we can fly
My love will find you anywhere	Where the wind blows babe
Anywhere my love	You can bet I'll be (23) high with it
The city lights look like a country sky	Holding on for my dear (24) just like I always did
(10) staring at the stars turned	Close your eyes babe, take a breath
(11) down	Say my name and I'll be there
I wish I may, I wish I might	My love will (25) you anywhere
Find it in (12) heart to stick around	Anywhere, my love will find you anywhere
I hate it had to end this way	Anywhere, my (26) (27) find you
Tomorrow is a brand new day	anywhere
And the chances (13) at love are precious few	Anywhere my love
Someone's out there waiting	
For a (14) good timing lady
