

## Fill in the gaps

30,000 feet above the city where
I fell in love with you
And the fading concrete skyline
Brings an urban lullaby that still rings true
When I passed you on the street that day
Should've let that red scarf fly (1)
(2) any chance I had of keeping you
Like the (3) wind a blowing
Yeah my (4) heart was frozen
(5) knew I'd (6) a way
To break yours too
Where the wind blows babe
You can bet I'll be riding high with it
(7) on for my dear life just like I always did
Close your eyes babe, take a breath
Say my name and I'll be there
My love will find you anywhere
Anywhere my love
The city lights look like a country sky
Like staring at the stars turned upside down
I wish I may, I wish I might
Find it in your heart to stick around
I hate it had to end this way
Tomorrow is a brand new day
And the chances here at love are precious few

Someone's out there waiting For a sweet good timing lady

To make you smile the way I always wanted to	
Where the wind (8) babe	
You can bet I'll be riding high with it	
Holding on for my dear life just like I always did.	
Close your eyes babe, take a breath	
Say my name and I'll be there	
My love will find you anywhere	
Anywhere my love	
So I'll fly all night	
Our memory's my lullaby	
That love won't lie	
If it's love done right	
You'll be waiting on the other side	
(9) open wide If love don't lie	
Lie, we can fly	
Where the wind blows babe	
You can bet I'll be (10) high with	it
Holding on for my dear life just like I always did	
Close your eyes babe, take a breath	
Say my name and I'll be there	
My love will find you anywhere	
Anywhere, my love will find you anywhere	
Anywhere, my love will find you anywhere	
Anywhere my love
