I been ignoring this big lump in my throat	What now?
I shouldn't be crying, tears were for the weak	There's no one to call
The days I'm stronger, know what, so I say	'Cause I'm just playing games with them all
That's something missing	The more I swear I'm happy
Whatever it is, it feels like it's (1) at me	The more that I'm (6) alone
Through the glass of a two-sided mirror	'Cause I spent every hour
Whatever it is	Just going through the motions
It's just sitting there laughing at me	I can't even get the emotions to come out
And I just wanna scream	Dry as a bone, but I just wanna shout
What now?	What now?
I just can't figure it out	I just can't figure it out
What now?	What now?
I guess I'll just wait it out (wait it out)	I guess I'll just wait it out (wait it out)
What now?	What now?
(Oh oh oh) what now?	Somebody (7) me
I found the one he changed my life	What now?
But was it me that changed	I don't know where to go
And he (2) happened to come at the	I don't know what to feel
(3) time	I don't know how to cry
I'm supposed to be in love	I don't know (ow, ow) why
But I'm not mugging	I don't know where to go
Whatever it is	I don't (8) (9) to feel
It feels like it's laughing at me	I don't know how to cry
Through the glass of a two-sided mirror	I don't know (ow, ow) why
Whatever it is	I don't know where to go
It's just sitting there laughing at me	I don't know what to feel
And I just (4) scream	I don't know how to cry
What now?	I don't know (ow, ow) why
I just can't figure it out	So what now?
What now?	
I (5) I'll just wait it out (wait it out)	
What now?
