

Please tell me

## Fill in the gaps

I been (1)	(2)	big lump in my	What now?	
throat			There's no one to call	
I shouldn't be crying, (3)	(4)	for the	'Cause I'm just playing (7)	with them all
weak			The more I swear I'm happy	
The days I'm stronger, know what, so I say			The more that I'm feeling alone	
That's something missing			'Cause I spent every hour	
Whatever it is, it feels like it's laughing at me			Just going through the motions	
Through the glass of a two-sided mirror			I can't even get the (8)	to come ou
Whatever it is			Dry as a bone, but I just wanna shout	
It's just sitting there laughing at	me		What now?	
And I just wanna scream			I just can't (9) it out	
What now?			What now?	
I just can't figure it out			I guess I'll just wait it out (wait it out)	
What now?			What now?	
I guess I'll just wait it out (wait it out)			Somebody tell me	
What now?			What now?	
(Oh oh oh) what now?			I don't know where to go	
I found the one he changed my life			I don't know what to feel	
But was it me that changed			I don't know how to cry	
And he just (5)	to come a	t the right time	I don't know (ow, ow) why	
I'm supposed to be in love			I don't know where to go	
But I'm not mugging			I don't know what to feel	
Whatever it is			I don't know how to cry	
It feels like it's laughing at me			I don't know (ow, ow) why	
Through the glass of a two-sided mirror			I don't know (10) to go	
Whatever it is			I don't know what to feel	
t's (6) sitting there laughing at me		I don't know how to cry		
And I just wanna scream		I don't know (ow, ow) why		
What now?			So what now?	
I just can't figure it out				
What now?				
I guess I'll just wait it out (wait i	t out)			
What now?				

- 1. ignoring
