## Leave It All To Me by Miranda Cosgrove & Drake Bell

(In five, four, three, two)	There's a dream in everyone
I know, you see	And it's all real
Somehow the world will change for me	I'm telling you (5) how I feel
And be so wonderful	So wake up the members of my nation
Live life, (1) air	It's your time to be
I know somehow we're gonna get there	There's no chance unless you (6) one
And feel so wonderful	And the time to see
I will make you change you mind	The (7) side of every situation
These things happen all the time	Some things are meant to be
And it's all real	So give your best and leave the rest to me
I'm telling you just how I (2) so	Leave it all to me (leave it all to me)
Wake up the members of my nation	So make it right (maybe you're right)
It's (3) time to be	And see it through (you gotta)
There's no chance unless you take one	You know you won't be free until you
And it's time to see	Wake up the members of my nation
The brighter side of every situation	It's (8) time to be
Some things are meant to be	There's no chance unless you take one
So (4) your best and leave the rest to me	And the time to see
I know	The brighter side of every situation
It's time	Some things are meant to be
To raise the hand that draws the line	So give it your (9) and leave the (10) to
And be so wonderful	me
Golden sunshine	Leave it all to me (leave it all to me)
I know somehow gonna be mine	Leave it all to me
And feel so wonderful	Just leave it all to me
Show what you can become
