I know, you see	And it's all real
Somehow the (1) will change for me	I'm telling you (13) how I feel
And be so wonderful	So wake up the (14) of my nation
Live life, breathe air	It's your (15) to be
I (2) get there	There's no chance (16) you take one
And feel so wonderful	And the time to see
I will make you change you mind	The brighter side of every situation
These (4) happen all the time	Some things are meant to be
And it's all real	So (17) your best and (18) the
I'm (5) you just how I (6) so	(19) to me
Wake up the members of my nation	Leave it all to me (leave it all to me)
It's your time to be	So make it right (maybe you're right)
There's no chance unless you take one	And see it through (you gotta)
And it's time to see	You know you won't be free until you
The brighter side of every situation	Wake up the members of my nation
Some things are meant to be	It's (20) time to be
So (7) (8) best and leave the rest to me	There's no (21) (22) you take

It's time	And the (23) to see
To raise the hand that (9) the line	The brighter side of (24) situation
And be so wonderful	Some things are meant to be
Golden sunshine	So give it your best and leave the (25) to me
