There's a dream in everyone

Leave It All To Me by Miranda Cosgrove & Drake Bell

know, you see	And it's all real
Somehow the world will change for me	I'm telling you just how I feel
And be so wonderful	So wake up the members of my nation
ive life, breathe air	It's your time to be
know somehow we're gonna get there	There's no chance unless you take one
And feel so wonderful	And the (4) to see
will make you change you mind	The (5) (6) of (7)
These things happen all the time	situation
And it's all real	Some (8) are meant to be
'm telling you just how I feel so	So (9) your best and (10) the rest to
Vake up the members of my nation	me
t's your time to be	Leave it all to me (leave it all to me)
There's no chance unless you take one	So make it right (maybe you're right)
And it's time to see	And see it through (you gotta)
The brighter side of every situation	You know you won't be free until you
Some things are meant to be	Wake up the members of my nation
So (1) your best and leave the rest to me	It's your time to be
know	There's no chance unless you take one
t's time	And the time to see
To raise the hand (2) draws the line	The brighter side of every situation
And be so wonderful	Some things are meant to be
Golden sunshine	So give it your best and leave the rest to me
know (3) gonna be mine	Leave it all to me (leave it all to me)
And feel so wonderful	Leave it all to me
Show what you can become	Just leave it all to me
