

Fill in the gaps

There were rules you never told me	Without a shadow of a doubt
Never came up with a plan	She could put it in about
All the stories that you sold me	Hear the people shout
Didn't help me understand	Hear the people shout
But I had to get it worked out	It's long way, to the finish
Had nobody who could help	When you've never been before
So then in the end it turned out	I was nervous, but I did it
That I had to do it by myself	Now (6) going back for more
That's the game of rags to riches	That's out, yeah
Dogs and bitches (1) for fame	
Until you think you know which way to turn	Here the people shout
Make the day all the switches	
Wicked (2) fan the flame	Queenie eye, (7) eye (8)
Careful what you touch in case you burn	got the ball?
Queenie eye, queenie eye who's got the ball?	I haven't got it, it isn't in my pocket
I haven't got it, it (3) in my pocket	O-U-T spells out
O-U-T spells out	That's out
That's out	Without a shadow of a doubt
Without a shadow of a doubt	She could put it in a pout
She could put it in about	Hear the people shout
Hear the people shout	Hear the people shout
Hear the people shout	Queenie eye, queenie eye who's got the ball?
Play the game, taking chances	I haven't got it, it (9) in my pocket
Every dance is much the same	O-U-T spells out
Doesn't matter which (4) you choose	That's out
Never blame the circumstances	Without a shadow of a doubt
With romances seldom came?	She could put it in a pout
Never (5) a fight you're gonna lose	Hear the people shout
Queenie eye, queenie eye who's got the ball?	Hear the people shout
I haven't got it, it isn't in my pocket	Hear the people shout
O-U-T spells out	Ok?
