r you want control	Get (6) in your songs
Nithout any pain	Now that (7) is gone
How long will you suffer?	Its lost for you now
How (1) will you reign	Words long forgotten
You see the friend that I knew?	Forgotten somehow
Cannot be found	When you're falling
Replaced by another	I will catch you
Wearing his crown	You dont have to fall that far
Theres a place where I go	You can make it
Nithout any sound	I will be there
Only you can reach me	You were broken from the start
Only (2) allowed	When you're falling
And youre so far away	l will (8) you
Youre so far from here	You dont have to fall that far
Do you remember	You can make it
Our time without tears?	I will be there
When you're falling	You were broken from the start
will catch you	When you're falling
You (3) have to fall that far	I will catch you
You can make it	You dont have to fall that far
(4) be there	You can make it
You were broken from the start	I (9) be there
When you were a child	You were (10) from the start
