

When the sky is grey

Fill in the gaps

Can't believe (1) packing your bags	'Cause you were mine for the Summer
Trying so (2) not to cry	Now we know it's nearly over
Had the best time and now it's the worst time	Feels like snow in September
But we have to say goodbye	But I always will remember
Don't promise that you're gonna write	You were my Summer love
Don't promise (3) you'll call	You always will be my Summer love
Just promise that you won't forget we had it all	So please don't make this any harder
Cause you were (4) for the Summer	We can't (7) this any farther
Now we know it's nearly over	And I know
Feels like snow in September	There's nothing that I wanna change, change
But I always will remember	You were mine for the Summer
You were my Summer love	Now we know it's nearly over
You always will be my Summer love	Feels like snow in September
Wish that we could be alone now	But I always will remember
f we could find some (5) to hide	You were my Summer love
Make the last time just like the first time	You always will be my Summer love
Push a (6) and rewind	You always (8) be my (9) love
Don't say the word that's on your lips	You will (10) be my Summer love
Don't look at me that way	
lust promise vou'll remember
