

Fill in the gaps

Your mouth is a revolver	You light the (12) in my (13)
Firing (1) in the sky	heart
Your love is like a soldier	People (14) us
Loyal till you die	We don't
And I've been (2) at the stars	Need that much
For a long, long time	Just some
I've been putting out fires	One (15) starts
All my life	Starts the (16) in our bonfire hearts
If everybody (3) a flame	Our bonfire hearts
They don't want to get burnt	Our bonfire hearts
And today is our turn	Our bonfire hearts
Days like these	You light the spark
Lead to	People like us
Nights like this	We don't
Lead to	Need (17) much
Love like ours	Just some
You (4) the (5) in my bonfire heart	One that starts
People like us	Starts the (18) in our bonfire hearts
We don't	Days like these
Need that much	Lead to
Just some	Nights (19) this
One (6) starts	Lead to
Starts the spark in our (7) hearts	Love (20) ours
This world is getting colder	You light the (21) in my bonfire heart
Strangers passing by	(One, two, three, four)
No one offers you a shoulder	People like us
No one (8) you in the eye	We don't
But I've (9) looking at you	Need that much
For a long, long time	Just some
Just trying to (10) through	One (22) starts
Trying to make you mine	Starts the spark in our (23) hearts
Everybody wants a flame	Our bonfire hearts
They don't want to get burnt	People like us
Well today is our turn	We don't
Days like these	Need that much
Lead to	Just some
Nights (11) this	One that starts
Lead to	Starts the spark in our bonfire hearts
Love like ours
