Fill in the gaps

our mouth is a revolver	You (6) the spark in my bonfire heart
Firing bullets in the sky	People like us
our love is like a soldier	We don't
Loyal (1) you die	Need that much
And I've been looking at the stars	Just some
For a long, (2) time	One that starts
ve been putting out fires	Starts the spark in our bonfire hearts
All my life	Our (7) hearts
f everybody wants a flame	Our bonfire hearts
They don't (3) to get burnt	Our bonfire hearts
And today is our turn	You (8) the spark
Days (4) these	People like us
ead to	We don't
Nights like this	Need that much
ead to	Just some
Love like ours	One that starts
ou light the spark in my bonfire heart	Starts the spark in our bonfire hearts
People like us	Days (9) these
Ve don't	Lead to
Need that much	Nights like this
lust some	Lead to
One that starts	Love like ours
Starts the spark in our bonfire hearts	You light the spark in my bonfire heart
This world is getting colder	(One, two, three, four)
Strangers passing by	People like us
No one offers you a shoulder	We don't
No one looks you in the eye	Need that much
But I've been looking at you	Just some
For a long, long time	One that starts
lust trying to break through	Starts the spark in our bonfire hearts
rying to make you mine	Our bonfire hearts
Everybody wants a flame	People like us
They don't want to get burnt	We don't
Vell today is our turn	Need that much
Days like these	Just some
