Fix a Heart (An Intimate Performance) by Demi Lovato

It's probably what's best for you	Swearin' up and down
I only want the (1) for you	You can't fix what's (5) broken, yeah
And if I'm not the best, then you're stuck	Please don't get my hopes up, no no
I try to sever ties and I	Baby, tell me how could you
Ended up with wounds to bind	Be so cruel?
Like you're (2) salt in my cuts	It's like you're (6) salt in my cuts
And I just ran out of band-aids	Baby, I just ran out of band-aids
I don't (3) know where to start	I don't even (7) where to start
'Cause you can bandage the damage	'Cause you can bandage the damage
You never really can fix a heart	You never really can fix a heart
Even though I know what's wrong	Baby, I (8) ran out of band-aids
How can I be so sure	I don't even know where to start
If you never say what you feel (feel)?	'Cause you can bandage the damage
I must have held your hand so tight	You (9) really can fix a heart
You didn't have the will to fight	(Oh) no no no
I guess you needed more time to heal	You (10) really can fix a heart
Baby I just ran out of band-aids	(Oh) no no no
I don't (4) know where to start	You never really can fix heart
'Cause you can bandage the damage	
You never really can fix a heart	You never really can fix my heart
