

Fill in the gaps

I was walking home from school	Just to say I understand
On a cold winter day	And ain't it kind of funny
Took a (1) through the woods	At the dark end of the road
And I lost my way	Someone lights the way
It was getting late	With just a single ray of hope
And I was scared and alone	(Oh) I (6) there are angels among us
But then a precious baby boy	Sent down to us (7) (8) up
Took my hand and lend me home	above
Mama couldn't see him	They come to you and me
(Oh) but he was standing there	In our darkest hours
And I knew in my heart	To show us how to live
He was the answer to my prayers	To teach us how to give
(Oh) I believe there are angels among us	To guide us with the light of love
Sent down to us from somewhere up above	They (9) so many faces
They come to you and me	Show up in the strangest places
In our darkest hours	To grace us with (10) mercy
To (2) us how to live	In our time of need
To teach us how to give	(Oh) I believe there are angels among us
To guide us with the light of love	Sent down to us from somewhere up above
When life held troubled times	They come to you and me
And had me down on my knees	In our darkest hours
There's always (3) someone	To show us how to live
To come along and (4) me	To teach us how to give
A kind word from a stranger	To guide us with the light of love
To lend a (5) hand	
A phone call from a friend
