was walking (1) from school	Just to say I understand
On a cold winter day	And ain't it (14) of funny
Took a (2) through the woods	At the dark end of the road
And I (3) my way	Someone lights the way
It was (4) late	With just a (15) ray of hope
And I was (5) and alone	(Oh) I believe there are angels among us
But (6) a precious baby boy	Sent down to us from (16) up above
Took my hand and lend me home	They come to you and me
Mama couldn't see him	In our (17) hours
(Oh) but he was standing there	To show us how to live
And I (7) in my heart	To teach us how to give
He was the answer to my prayers	To guide us with the light of love
(Oh) I believe there are angels (8) us	They (18) so many faces
Sent down to us from somewhere up above	Show up in the strangest places
They come to you and me	To grace us with their mercy
In our darkest hours	In our time of need
To show us how to live	(Oh) I believe there are (19) among us
To teach us how to give	Sent down to us from (20) up above
To guide us with the light of love	They come to you and me
When life held (9) times	In our darkest hours
And had me (10) on my knees	To (21) us how to live
There's always been someone	To teach us how to give
To (11) along and comfort me	To (22) us with the (23) of love
A kind word from a stranger	
To (12) a helping hand	
A phone call (13) a friend
