## T Don't Want A Lover (Live) by Texas

Cause you don't even care

## Fill in the gaps

I don't want a lover	'bout (6) I'm saying
I just need a friend	You don't even think
I don't want a lover	What you're doing
I just need a friend	And all you see
You can't just leave me	Is what you want it to be
To face life on my own	But in there there's just no room for me
I (1) you don't love me no more	I don't want a lover
I knew this day it would come	I just need a prayer
Even when it (2) so deep	And I know you never cared
It's true I still (3) you	Now that I know it wasn't love
But the harder I try	You don't even care
The more I seem to lose	'bout what I'm saying
I don't want a lover	You don't (7) think
I just need a friend	What you're doing
I've had time to recover	All you see
Now that I know it wasn't love	Is what you want it to be
It's always a different story	Then there's no (8) left for me
When it's me who's in the wrong	And I don't want a lover
But you can't have it all	I just need a prayer
Cause I'm the one who's strong	And I've had time to recover
I've already been burnt before	Now that I know it wasn't love
Once but never again	I don't want a lover
I know the time will come	I just need a prayer
That's when you (4) me then	And I know you never cared
Cause I don't want a lover	Now (9) I know it wasn't love
I just need a friend	And now (10) I know
And I've had time to recover	Yeah, now that I know
Now that I know it wasn't love	Yeah, I know it wasn't love
I don't want a lover	No, no, no, no, it wasn't love
I just need a prayer	Yeah
And I (5) you never cared	
Now that I know it wasn't love
