Bizarre Love Triangle by New Order

Every time (1) or you	I do admit to myseir (13) if I nurt someone else
I feel shot right through with a bolt of blue	Then I'll never see just (14) we're (15)
It's no problem of mine	to be
But it's a (2) I find	Every (16) I see you falling
Living a (3) that I can't leave behind	I get (17) on my knees and pray
But there's no (4) in telling me	I'm waiting for that (18) moment
The (5) of the fool won't set you free	You say the words (19) I can't say
But that's the way (6) it goes	(I don't believe in reincarnation
And it's what nobody knows	Because I (20) to come back as a bug or as a
Well every day my confusion grows	rabbit)
Every time I see you falling	(You know, you're a real up person)
I get down on my knees and pray	Every (21) I see you falling
I'm waiting for (7) final moment	I get down on my (22) and pray
You say the words that I can't say	I'm waiting for (23) final moment
I feel (8) and I feel good	You say the words that I can't say
I'm feeling (9) I (10) should	Every (24) I see you falling
Whenever I get this way I just don't know what to say	I get down on my (25) and pray
Why can't we be ourselves (11) we were yesterday	I'm waiting for that final moment
I'm not sure (12) this could mean	You say the words (26) I can't say
I don't think you're what you seem
