Fill in the gaps

Got a bottle of (1) in our hands You tryna' keep up kid? Let's see who hits the ground We've drank the drinks We've done the drugs Clearly we don't remember We've come so far We've shown them all Without us you'd fall and fade away They say it all breaks down To keeping your feet on the ground My sole intention is keeping my head in the clouds They say that I can't last a day in the (2) world I say you wouldn't survive one (3) in mine Notorious and shit I wouldn't (4) it for the world I'm infamous but damn you can't help	You know we're not ****** around

Remember platinum albums
Sold out stadiums, leave it to me
Let's tell the truth
Not to be rude but we're all irrelevant
This music's dead with a bullet in it's head
Let's wake it up
It's so insane, I'm so insane
Going insane, I'm so insane
Leave it to me from here
Leave it to me from here
