

Fill in the gaps

Looking at the (1) of my life	Every time I look at you
Faded memories of me and you	Baby, I see (6) new
Mistakes you know I've made a few	That takes me higher than before
I took some shots and fell from time to time	And makes me want you more
Baby, you were there to pull me through	I don't wanna sleep tonight
We've (2) around the block a time or two	Dreamin's just a waste of time
I'm gonna lay it on the line	When I look at what my life's been comin' to
Ask me how we've come this far	I'm all about lovin' you
The answer's written in my eyes	You can (7) this world away
Every time I look at you	You're everything I am
Baby, I see something new	Just (8) the lines (9) my fac
That takes me higher (3) before	I'm all about lovin' you
And makes me want you more	(All about, all about, all about Lovin' you)
I don't wanna sleep tonight	Every time I look at you
Dreamin's just a waste of time	Baby, I see something new
When I look at (4) my life's (5) comin' to	That takes me higher than before
I'm all about lovin' you	And makes me want you more
I've lived, I've loved, I've lost	I don't wanna sleep tonight
I've paid some dues, baby	Dreamin's just a waste of time
We've been to hell and back again	When I look at what my life's been comin' to
Through it all you're always my best friend	I'm all about lovin' you
For all the words I didn't say	All about lovin' you
And all the things I didn't do	
Tonight I'm gonna find a way
