

## Fill in the gaps

The snow glows white on the mountain tonight	And (6) through
Not a footprint to be seen	No right, no wrong
A kingdom of isolation	No rules for me
And it looks like I'm the queen	I'm free
The (1) is howling like this swirling storm inside	Let it go
Couldn't keep it in, heaven knows I've tried	Let it go
Don't let (2) in	I am one with the wind and sky
Don't let them see	Let it go
Be the good girl you always have to be	Let it go
Conceal, don't feel	You'll never see me cry
Don't let (3) know	Here I stand
Well, now they know	And here I'll stay
Let it go	Let the storm (7) on
Let it go	My power flurries through the air into the ground
Can't hold it back anymore	My soul is spiraling in frozen fractals all around
Let it go	And one thought crystallizes like an icy blast
Let it go	I'm never going back
Turn away and slam the door	The past is in the past
I don't care	Let it go
What they're going to say	Let it go
Let the (4) rage on	When I rise like the break of dawn
The cold never bothered me anyway	Let it go
It's funny how some distance	Let it go
Makes everything seems small	That perfect girl is gone
And the fears that (5) controlled me	Here I stand in the light of day
Can't get to me at all	Let the storm (8) on
It's time to see	The cold (9) bothered me anyway
What I can do	
To test the limits
