

## Fill in the gaps

Anyone who ever held you		Straight into your arms	
Would tell you the way I'm feeling		I, I feel you	
Anyone who (1) wanted you		I hope you comprehend	
Would try to tell you what I feel inside		Too (7) hearts are broken	
The only thing I ever wanted		A lover's promise (8)	came with a maybe
Was the (2)	(3) you ain't faking	So many words are left u	nspoken
The only one you ever th	nought about	The silent (9)	are driving me crazy
Wait a minute, can't you see		After all the pain you caused me	
That I		Making up could never be your intention	
Wanna fall from the stars		You'll never know how much you hurt me	
Straight into your arms		Stay can't you see	
I, I feel you		That I	
I hope you comprehend		Wanna fall from the stars	
For the man who tried to hurt you		Straight into your arms	
He's explaining the way I'm feeling		I, I feel you	
For all the jealousy I (4) you		I hope you comprehend	
States the reason why I'm trying to hide		That I	
As for all the things you taught me		Wanna fall from the stars	
It sends my future into clearer dimensions		Straight into your arms	
You'll never (5) how much you hurt me		I, I feel you	
Stay a minute can't you see		I (10) you comprehend	
That I			
Wanna fall (6)	the stars
