## T'm Still Standing by Elton John

## Fill in the gaps

You could never know (1) it's like	Looking like a true survivor
Your (2) like winter freezes just (3)	Feeling like a (20) kid
ice	And I'm still standing after all (21) time
And there's a cold and lonely light	Picking up the pieces of my life
That shines (4) you	Without you on my mind
You'll wind up like the wreck you hide	I'm still standing
Behind that mask you use	Yeah yeah
And did you think this fool could never win	I'm still standing
Well look at me, I'm coming back again	Yeah yeah
I got a taste of love in a simple way	Don't you know that
And if you (5) to know (6) I'm still	I'm (22) standing better than I ever did
standing	Looking like a true survivor
You just (7) away	Feeling like a little kid
Don't you (8) I'm (9) standing	I'm (23) standing after all this time
Better than I ever did	Picking up the pieces of my life
Looking like a (10) survivor	Without you on my mind
Feeling like a little kid	I'm (24) standing
And I'm still standing (11) all this time	Yeah yeah
Picking up the pieces of my life	I'm (25) standing
Without you on my mind	Yeah yeah
I'm (12) standing	I'm still standing
Yeah yeah yeah	Yeah yeah
I'm still standing	I'm (26) standing
Yeah yeah yeah	Yeah yeah
Once I (13) to win	I'm still standing
You starting down the (15) leaving me again	Yeah yeah
The threats you made	I'm still standing
Were meant to cut me down	
And if our (16) was just a circus	
You'd be a clown by now	
You know, I'm (17) standing	
Better (18) I (19) did
