I'm Still Standing by Elton John

Fill in the gaps

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold and lonely light
That shines from you
You'll wind up like the wreck you hide
Behind that mask you use
And did you think this fool could never win
Well (1) at me, I'm (2) back agai
I got a taste of love in a simple way
And if you need to know while I'm still standing
You just fade away
Don't you know I'm still standing
Better than I ever did
Looking like a true survivor
Feeling like a little kid
And I'm still standing after all (3) time
Picking up the pieces of my life
Without you on my mind
I'm still standing
Yeah yeah
I'm (4) standing
Yeah yeah
Once I never could hope to win
You starting down the road leaving me again
The threats you made
Were meant to cut me down
And if our love was just a circus
You'd be a clown by now
You know, I'm still standing
Better than I (5) did

Looking like a true survivor
Feeling like a little kid
And I'm still standing after all this time
Picking up the (6) of my life
Without you on my mind
I'm (7) standing
Yeah yeah
I'm still standing
Yeah yeah
Don't you know that
I'm still standing better than I ever did
Looking like a true survivor
Feeling (8) a little kid
I'm still standing after all this time
Picking up the pieces of my life
Without you on my mind
I'm still standing
Yeah yeah
I'm still standing
Yeah yeah
I'm still standing
Yeah yeah
I'm still standing
Yeah yeah
I'm still standing
Yeah yeah
I'm still standing
