

Fill in the gaps

I Love My Computer by Bad Religion

| I love my computer | When I turn on you |
|--------------------------------------|------------------------------------|
| You (1) me (2) alright | I (12) my computer |
| Every (3) hour | You never ask for more |
| And (4) (5) night | You can be a princess |
| I love my computer | Or you can be my whore |
| For all you give to me: | And it's never been quite so easy |
| Predictable (6) and no identity | I've never been quite so happy |
| And it's never been quite so easy | The (13) is so big |
| I've (7) been (8) so happy | But it's (15) in my domain |
| All I need to do is click on you | Because to you |
| And we'll be joined | I'm just a number |
| In the most soul-less way | And a (16) screen name |
| And we'll never (9) each other's day | All I (17) to do is (18) on you |
| 'cuz when I'm through I just click | And we'll be together for eternity |
| And you just go away | And no one is (19) (20) |
| I (10) my computer | (21) my love |
| You're (11) in the mood | From me (22) I've got security |
| I get so turned on | Her (23) and a key |
