

## Fill in the gaps

### I Love My Computer by Bad Religion

I love my computer

You (1)\_\_\_\_\_ me feel alright

Every waking hour

And every lonely night

I love my computer

For all you give to me:

Predictable (2)\_\_\_\_\_ and no identity

And it's never (3)\_\_\_\_\_ quite so easy

I've never been quite so happy

All I need to do is click on you

And we'll be joined

In the most soul-less way

And we'll (4)\_\_\_\_\_ ruin each other's day

'cuz when I'm through I just click

And you (5)\_\_\_\_\_ go away

I love my computer

You're always in the mood

I get so turned on

When I turn on you

I love my computer

You never ask for more

You can be a princess

Or you can be my whore

And it's never been quite so easy

I've never been quite so happy

The (6)\_\_\_\_\_ (7)\_\_\_\_\_ is so big

But it's safe in my domain

Because to you

I'm just a number

And a clever screen name

All I need to do is (8)\_\_\_\_\_ on you

And we'll be together for eternity

And no one is ever gonna take my love

From me because I've got security

Her password and a key

Answer

1. make
2. errors
3. been
4. never
5. just
6. world
7. outside
8. click
