But you (2) choose carefully	Shorty's heart is on steroids
'Cause I, I'm capable of anything	Cause her (7) is so strong
Of anything and everything	You may fall in love
Make me your Aphrodite	When you meet her

But don't make me your enemy, your enemy, your enemy	She's sweet as pie but if you break her heart
So you wanna play (3) magic	She'll turn cold as a freezer
Boy, you should know what you're falling for	That fairy tale ending with a knight in shining armor
Baby do you dare to do this?	She can be my Sleeping Beauty
Cause I'm coming at you like a dark horse	I'm gon' put her in a coma
Are you ready for, ready for	Woo!
A perfect storm, perfect storm	Damn I think I love her
Cause once you're mine, once you're mine	Shorty so bad, I'm sprung and I don't care

This love will make you levitate	Her love is like a drug
Like a bird	I was tryna hit it and quit it
Like a bird without a cage	But lil' mama so dope
But down to earth	I messed around and got addicted
If you (4) to walk away, don't walk away	So you wanna (9) with magic
It's in the palm of your hand now baby	Boy, you should know what you're falling for (you
It's a yes or no, no maybe	(10) know)
So just be sure before you give it all to me	Baby do you dare to do this?
All to me, give it all to me	Cause I'm coming at you like a dark horse (like a dark horse)
So you wanna play with magic	Are you ready for, ready for (ready for)
Boy, you should know what you're falling for	A perfect storm, perfect storm (a perfect storm)
