

## Fill in the gaps

| Don't let anybody tell you what to be           | Everybody                                |
|---|--|
| Turn the music up and (1) sing it               | Everybody listen to the words I say      |
| Sha la la la la                                 | I don't care what everybody say about me |
| Sha la la la la                                 | Get your ghetto blasters and feel it     |
| Dynamite all over my body                       | Sha la la la la                          |
| Live fast life's so extraordinary               | Sha la la la la                          |
| If you feel that state of mind                  | Don't let anybody tell you what to be    |
| Everything's gonna be fine                      | Turn the music up and just (6) it        |
| You know it's all up to you                     | Sha la la la la                          |
| You've got the strings and that fire too        | Sha la la la la                          |
| Sing, Sha la la la la                           | But nothing's the same                   |
| Sha la la la la                                 | Since you're gone                        |
| I only believe in my philosophy                 | I try so hard to forget your loving      |
| Don't love the world if you don't love yourself | I remember your name when it's cold      |
| Everybody                                       | I remember that, we all need someone     |
| Everybody listen to the words I say             | I don't care what everybody say (7) me   |
| I don't care what everybody say about me        | Get your ghetto blasters and feel it     |
| Get your (2) blasters and feel it               | Sha la la la la                          |
| Sha la la la la                                 | Sha la la la la                          |
| Sha la la la la                                 | Don't let anybody tell you what to be    |
| Don't let anybody tell you what to be           | Turn the (8) up and just sing it         |
| Turn the music up and just sing it              | Sha la la la la                          |
| Sha la la la la                                 | Sha la la la la                          |
| Sha la la la la                                 | I don't care what (9) say about me       |
| I (3) in a non-stopping party                   | Get your ghetto blasters and feel it     |
| I broke the rules, just like February           | Sha la la la la                          |
| If I (4) turn back time                         | Sha la la la la                          |
| I wouldn't change my life                       | Don't let anybody tell you what to be    |
| You know it's all up to you                     | Turn the music up and (10) sing it       |
| You've got the strings and that (5) too         | Sha la la la                             |
| Sha la la la la                                 | Sha la la la la                          |
| Sha la la la la                                 | Sha la la la la                          |
| I only believe in my philosophy                 | Sha la la la la                          |
| Don't love the world if you don't love yourself |  |

- 1. just
