

Fill in the gaps

I saw you walk down the street	And I'll be your baby
With some other girl	All I'm asking you for when you walk out the door
Always thought that I was the only one in (1) world	Is to be my baby, baby
Baby can you (2) me so	'Cause you knew (14) the start
Out of (3) out of mind	That you were (15) my heart
Ain't (4) love (5) to be	Won't you be my baby
And I (6) all the (7) (8)	l (16) our walk other
you'd be (9) to me	(17) night
faithful to me	Sweet (18) filled and
All I'm (10) you for when you walk out the	(19) our minds
door	Never felt this way before
Is to be my baby, baby	We (21) so (23) on
I (11) to be sure	love and understanding
That forever and more	So why go wasting your time
You would be my baby	when you have got (24) a find
Love is just like a flower baby it has to grow	That is everlasting
And when you are away I'm even loving you more	All I'm asking you for (25) you walk out the door
I just have to let you know	Is to me my baby, baby
One on one is the way and	I just want to be sure
That's the way it should be	That (26) and more
So if you're not gonna stay	You would be my baby
Then don't be playing with me	All I'm (27) you for when you walk out the
You can set me free	door
All I'm asking you for when you walk out the door	Is to be my baby, baby
Is to be my baby, baby	Because all this love is for you
Because all (13) love is for you	And you (28) that I'm true
And you know that I'm true	And I'll be your baby
	And I want you to love me baby
