

American Pie by Madonna

Fill in the gaps

A long, long time ago
I can still remember
How that music used to make me smile
And I knew that if I had my chance
I (1)_____ make those people dance
And maybe they'd be happy for a while
Did you write the book of love?
And do you have (2)_____ in God above
If the Bible tells you so?
Now do you believe in Rock 'n' roll
And can music save your mortal soul?
And can you teach me how to dance real slow?
Well, I know that you're in love with him
Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues
I was a lonely teenage broncin' buck
With a pink (3)_____ and a pick-up truck
But I knew that I was out of luck
The day the music died
I started singing
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
I met a girl who sang the blues
And I asked her for some (4)_____ news
But she just smiled and (5)_____ away

When I went down to the sacred store
Where I'd (6)_____ the music years before
But the man there said the music wouldn't play
Well now, in the streets the children screamed
The lovers cried, and the poets dreamed
But not a word was spoken
The church bells all were broken
And the (7)_____ men I admire the most
The Father, Son and the Holy Ghost
They caught the last train for the coast
The day the (8)_____ died
We started singing
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And (9)_____ old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
We (10)_____ singing
We started singing
We started singing
We started singing
