

## Fill in the gaps

A long, (1) time ago	When I went (18) to the sacred store
I can still remember	Where I'd heard the music years before
How that (2) used to (3) me smile	But the man there said the (19) wouldn't play
And I knew that if I had my chance	Well now, in the streets the children screamed
I could make those people dance	The lovers cried, and the poets dreamed
And maybe they'd be happy for a while	But not a word was spoken
Did you (4) the book of love?	The church (20) all were broken
And do you (5) faith in God above	And the three men I admire the most
If the Bible tells you so?	The Father, Son and the Holy Ghost
Now do you (6) in Rock 'n' roll	They caught the last (21) for the coast
And can music (7) your mortal soul?	The day the (22) died
And can you (8) me how to dance real slow?	We started singing
Well, I know (9) you're in love with him	Bye, bye, (23) American Pie
Cause I saw you dancin' in the gym	Drove my Chevy to the levee
You both kicked off your shoes	But the levee was dry
Man, I dig (10) (11) and blues	And good old boys were drinkin' whiskey and rye
I was a lonely teenage broncin' buck	Singing this'll be the day that I die
With a pink carnation and a pick-up truck	This'll be the day that I die
But I knew (12) I was out of luck	Bye, bye, Miss American Pie
The day the music died	Drove my Chevy to the levee
I started singing	But the levee was dry
Bye, bye, Miss (13) Pie	And good old boys were drinkin' whiskey and rye
Drove my Chevy to the levee	Singing this'll be the day that I die
But the levee was dry	This'll be the day (24) I die
And good old boys were drinkin' whiskey and rye	We started singing
Singing this'll be the day that I die	We (25) singing
This'll be the day that I die	We started singing
I met a (14) who sang the blues	We started (26)
And I asked her for (15) happy news	
But she (16) (17) and turned away
