American Pie by Madonna

A long, (1)_____ time ago
I can still remember
How that music (2)_____ to make me smile
And I knew that if I had my chance
I could make those people dance
And maybe they'd be (3)_____ for a while
Did you write the book of love?
And do you (4)_____ faith in God above
If the Bible (5)_____ you so?
Now do you believe in Rock 'n' roll
And can music save your mortal soul?
And can you teach me how to dance real slow?
Well, I know that you're in love with him
Cause I saw you dancin' in the gym
You both (6)_____ off your shoes
Man, I dig those rhythm and blues
I was a lonely teenagen' broncin' buck
With a pink carnation and a pick-up truck
But I knew that I was out of luck
The day the music died
I started singing
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away

When I went down to the sacred store
Where I'd (7)_____ the music years before
But the man there said the music wouldn't play
Well now, in the streets the (8)_____ screamed
The lovers cried, and the (9)_____ dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire the most
The Father, Son and the Holy Ghost
They caught the last train for the coast
The day the (10)_____ died
We started singing
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
We started singing
We started singing
We started singing
We started singing
