

Fill in the gaps

When I first held you I was cold	And I love you so let's watch the flowers grow
A melting snowman I was told	So now we're here and now is fine
But there was no one (1) to hold	So far away (5) there and there is time time
Before I swore that I would be alone for ever more	To plant new (6) and (7)
Wow look at you now, flowers in the window	(8) grow
It's such a lovely day	So there'll be flowers in the window when we go
And I'm glad you feel the same	Wow look at us now, flowers in the window
'Cause to stand up out in the crowd	It's such a lovely day
You are one in a million	And I'm glad you feel the same
And I love you so	'Cause to stand up out in the crowd
Let's watch the flowers grow	You are one in a million
There is no reason to feel bad	And I love you so let's watch the flowers grow
But there are many seasons to feel bad sad mad	Oh wow look at you now, flowers in the window
It's just a bunch of feelings that we have to hold	It's such a lovely day
But I am here to (2) you with the load	And I'm glad you feel the same
Wow look at you now, (3) in the window	'Cause to stand up out in the crowd
It's such a lovely day	You are one in a million
And I'm glad you feel the same	And I love you so let's watch the (9) grow,
'Cause to (4) up out in the crowd	grow
You are one in a million	Let's watch the flowers (10)
