

Fill in the gaps

Summer by Calvin Harris

When I met you in the summer

To my heartbeat sound

We (1)_____ in love

As the (2)_____ turned brown

And we (3)_____ be (4)_____ baby

As long as (5)_____ are blue

You act so innocent now

But you lied so soon

When I met you in the summer

When I met you in the summer

To my heartbeat sound

We (6)_____ in love

As the (7)_____ turned brown

And we could be together baby

As long as skies are blue

You act so (8)_____ now

But you lied so soon

When I met you in the summer, in the summer

When I met you in the summer, in the summer
