

**Fill in the gaps**

**Summer by Calvin Harris**

When I met you in the summer

To my heartbeat sound

We fell in love

As the (1)\_\_\_\_\_ turned brown

And we could be together baby

As long as (2)\_\_\_\_\_ are blue

You act so innocent now

But you lied so soon

When I met you in the summer

When I met you in the summer

To my heartbeat sound

We (3)\_\_\_\_\_ in love

As the (4)\_\_\_\_\_ turned brown

And we (5)\_\_\_\_\_ be (6)\_\_\_\_\_ baby

As long as (7)\_\_\_\_\_ are blue

You act so innocent now

But you lied so soon

When I met you in the summer, in the summer

When I met you in the summer, in the (8)\_\_\_\_\_
